Grievance Procedures

If at any point a student believes that they have not been treated fairly or believes that a mistake has been made in as a condition of enrollment, please attempt to resolve the situation informally through discussion with the Program Director. If the student is not satisfied with the outcome of informal discussions, they are free to use the following formal procedure:

All grievances must be submitted in writing to the Provost within five business days of the occurrence. Within five business days, the Provost must notify all parties involved of the nature of the grievance and schedule an informal hearing. At the informal hearing with the Provost, the grievor presents their case. Following the hearing, the Provost will render a decision and take appropriate action. If the grievance is not resolved at the informal hearing, a formal hearing before an ad hoc committee composed of faculty, students, and administrators will be held within ten business days. The committee shall make and retain a record of the hearing and notify all the parties of the decision within five business days. This decision must be reached by at least a two-thirds majority.

If a student's complaint stems from a possible violation of Section 504 of the Rehabilitation Act of 1973 or Title IX of the Education Amendments of 1972, please use the following procedure:

Plaza College has adopted an internal grievance procedure for the timely and equitable resolution of complaints alleging any action prohibited by U.S. Department of Justice, Office of Civil Rights regulations, implementing Section 504 of the Rehabilitation Act of 1973, and Title IX of the Education Amendments of 1972, as amended (29 U.S.C. 794), Section 504 states, in part, that “no otherwise qualified handicapped individual... shall, solely by reason of his handicap, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance...” Title IX prohibits discrimination, exclusion, denial, limitation, or separation based on gender against students and employees of educational institutions.

Complaints should be addressed to:

**Dean Kalli Koutsoutis
118-33 Queens Blvd
Forest Hills, NY 11375
(718) 779-1430**

2. An investigation, as may be appropriate, shall follow a filing of a complaint. The investigation shall be conducted by the Provost. These rules outline informal but thorough investigations, affording all interested persons and their representatives, if any, an opportunity to submit evidence relevant to a complaint.
3. A written determination as to the validity of the complaint and a description of the resolution, if any, shall be issued by the Provost and a copy forwarded to the complainant no later than ten business days after its filing.

Utilization of this grievance procedure is not a prerequisite to the pursuit of other remedies.
7. These rules shall be construed to protect the substantive rights of interested persons, to meet appropriate due process standards, and to assure that Plaza College complies with Section 504 and Title IX implementing regulations.

Section II – Student Programs and Services

Admissions

Your first introduction to Plaza College has been through the Admissions experience. Your Admissions Counselor informed you about the College's programs of study and services. The Admissions Department is always available for questions and assistance. Through the College's freshmen orientation programs, you will learn about our policies and procedures and meet people who will also guide you throughout your studies at Plaza. The Admissions Department can be reached at (718)-505-4188.

Alumni Relations

Contact with graduates is maintained through the Office of Student Life. Additionally, approximately six months after graduation, the Alumni Survey is mailed to all graduates, requesting updates of personal information and their opinions about the educational programs and services that they received at Plaza. Annually, graduates are inducted into the Alumni Association, a celebration at the College. Other mailings and events are planned throughout the year. For more information, contact (718)779-1430.

The Campus Store is located on the first floor of the College in the Commons. The College arranges for students to purchase textbooks required for all courses at the beginning of each semester. Books are available to students during the first four to five weeks of each semester according to scheduled hours. Continuing students receive textbooks first; once all continuing students have their books, the bookstore is open to freshmen. Announcements will be made during this period specifying when the bookstore will be open. Students may purchase various school supplies including notebooks, USB drives, and rulers, as well as Plaza College gear.

Books, Equipment, and Supplies

Students are fully responsible for the purchase of their books, software, and supplies.

Plaza College believes that students need all required materials for student success. While not mandating where students purchase these materials, the Plaza Campus Store maintains textbooks and all material required for courses. Students should also be aware that many textbooks contain access website codes or CDs that may not be available from other sources. Because of the importance of being prepared, failure to possess required materials may lead to dismissal from a course. Students should consult with Financial Services regarding financial issues related to materials acquisition. Plaza College does have a return policy and buy-back program. Under specific circumstances, items purchased may be returned for credit. Additional information is available in the college bookstore. Please see Campus for details.

Section III - OFFICE OF STUDENT SERVICES

Attendance

Students are expected to attend all regularly scheduled classes. Excessive absence or repeated lateness may affect academic standing. At the beginning of each semester, all instructors will inform their students about the attendance schedule. Excessive absences due to illness should be reported to Student Services. The Committee on Institutional Effectiveness will evaluate the problem, notify the necessary instructors, and make appropriate recommendations.

If an absence is unavoidable, students are expected to report the absence to a Student Services representative by calling (718) 779-1548 or emailing studentservices@plazacollege.edu. Students should then leave messages for instructors via email. It is important to let teachers know where to reach students so that they can discuss assignments and other missed work. Students should obtain the phone numbers of a few classmates in each of their classes to keep abreast of work missed.

Lateness

Chronic lateness may result in course failure. Students who are late, or who leave early, must speak with their instructors.

Leaves of Absence

A student requesting a Leave of Absence is required to complete a Change of Status form in Student Services. A Leave of Absence, if granted, will be for a semester except for students and/or their spouses who are on leave due to military service. During a semester where a student has a planned medical procedure or complication, the student is advised to apply for a leave of absence.

A student must contact Student Services when returning from a Leave of Absence. See schedule of fees in the Financial Services Department.

Child Care

Students who qualify for child care assistance while enrolled at Plaza College from New York State or New York City can have verification of enrollment forms completed by the Office of Students Services. Verification forms are not completed by the Office of Student Services on the spot. Plaza College does not approve, validate or offer recommendations for child care centers. It is the responsibility of students who are eligible for child care assistance while enrolled at Plaza College to research the child care center and to make a decision regarding placement.

If the documentation is approved, the student may be permitted to take a make-up exam. Students should contact the Office of Student Services to make arrangements for a make-up exam.

Full-time Status

The normal course load for a full-time student is 12 credits. First and second semester students are scheduled for an average of 12 credits. As a student progresses through his or her program, loads can be increased to 15 credits. A course load of 18 credits must be approved by the Academic Dean.

Grades

For exact information about calculation of grade point average, refer to the catalog.

Grade Re-evaluation

Any student who wishes to have a final grade reviewed must submit a written request to the Dean of Institutional Effectiveness within two weeks after the date that grades are officially released. Details and instructions on the process are available in Student Services.

Graduation Requirements

Candidates for graduation must meet the program requirements in effect at the time of their matriculation, have earned a cumulative grade point average of at least 2.0, and have settled all financial obligations with Plaza College. All students hold a personal responsibility for making sure their graduation requirements are being met. Students may accomplish this by reading and understanding the college catalog, and learning the requirements for their particular major.

Of course, academic advisement is always available through your academic advisor, Student Services, or Academic Dean by appointment.

Only the Office of the Academic Dean has the authority to waive or provide substitute coursework for core curriculum requirements.

Graduation Honors

Graduation Honors: Students are recognized at graduation for their outstanding academic achievement.

Honors Category	Cumulative GPA
Summa Cum Laude	3.8-4.0
Magna Cum Laude	3.7-3.79
Cum Laude	3.6-3.69

Library Collection and Materials

Plaza College's on-campus library consists of many useful volumes of reference materials, many of which are on Reserve for in-library use. Besides these print resources, Plaza College students have access to a collection of approximately 1,000,000 eBooks called ProQuest ebrary. These titles can easily be accessed through a search on the ProQuest periodical database.

During library orientations, students are informed of the need and process for obtaining library cards from the New York, Brooklyn, and Queens public libraries. This allows access to the public library online databases and book-lending programs as a supplement to those offered by the Plaza College Library. Plaza subscribes to the EBSCO and ProQuest databases and has access to NOVELny, a collection of databases provided by the New York State Library.

Students receive training for database use in classes and through the Library.

Borrowing Books

Plaza provides a myriad of reference, general interest, and reserve materials for student use, free of charge.

Reference materials are to be used in the library only, and are not to be taken out of the area. Faculty will periodically place items on reserve for use in specific assignments. You must see the librarian for access to these materials. Other library materials may be checked out of the library for a period of two weeks. Overdue books will result in a late fee for each day the item is late. In addition, these books must be returned or paid for prior to the release of transcripts, degrees, or other official documents.

Photocopies

A photocopy machine is available to students in the library at ten cents per copy. Students are encouraged to ask for instruction upon first time use.

Note: The copyright law of the United States (Title 17 U.S. Code) governs the making of photocopies or other reproductions of copyrighted material. The person using the equipment is liable for any infringement.

Reference Materials

The primary purpose of the Plaza College Library is to provide reference and research materials to be used in conjunction with the current programs of study. No reference materials are to leave the library. When finished with books or magazines used in the Library, students are asked to leave them on the tables or bring them to the desk. Do not re-shelve them.

Netiquette

Netiquette is short for network etiquette. The term “netiquette” is used when referring to acceptable online behavior with respect to online communication, such as e-mail, discussion boards, chat rooms, and forums or newsgroups. These methods of communication form an online community for users to read and post topics of common interest. Internet communication is not completely secure. If you are forwarding or re-posting a message on another person’s email, it is inappropriate to change the other person’s words or message.

- Your appearance and attention to the active class presentation and discussion should be the same as if you were physically on campus.
- If you are replying to a message, quote only the relevant parts.
- Never send chain letters, they are forbidden on the Internet. Notify your instructor if you receive one.
- Do not send abusive or heated messages; these are called flames. If you receive a flame, notify your instructor.
- Take care with addressing mail. It may go where you don’t want it to go!
- Allow time for mail to be received, and replied to, keeping in mind your classmates’ and instructor’s hectic schedules.
- If you want your mail to be read, don't make it too long unless the receiver is expecting a verbose message. Over 100 lines are considered long.
- Remember the Internet is a global community, and other classmate’s values and outlook on life may be different from your own. Be tolerant and careful with slang or phrases that may not be understood by a person of another culture.

- Use mixed-case, UPPER CASE LOOKS AS IF YOU'RE SHOUTING!
- Mail should have a subject header that reflects the content of the message.
- Unsolicited e-mail advertising is unwelcome.

Provost's Office

The Provost may be seen by appointment or be contacted by email only at cec4@plazacollege.edu. You can also call at 718-505-6000 to make an appointment.

Repetitions Due to Course Failure

When a student repeats a course, the most recent grade will be computed in the cumulative grade point average (GPA). No class may be taken more than three times unless the student receives special permission.

Technology - Learning and Information Systems

Canvas is the College's Learning Management System (LMS) available to students. It is an instructional tool that is integrated with MyPortal and Google Apps. Faculty can post course resources and activities, and students and faculty can communicate via email. Each student will be assigned a User ID and will be asked to create a password.

Tutorials are available on the Help tab on the eCampus homepage.

MyPortal is the system used by faculty and students to access Plaza College's student information system (SIS). Students can see their schedules and grades on the system.

Blended Learning through Hybrid Courses

Blended learning is offered through hybrid courses which combine traditional face-to-face instruction with elements of online learning provided through the College's Moodle platform. Hybrid course instruction offers flexibility in class schedules, yet does not reduce or change the rigor necessary to satisfy course requirements, course objectives, evaluation, and other measures of student learning typically required of students engaged in the traditional course format.

Skill Development

Communication Skills

Development of good writing, proofreading, and editing skills are a focus at Plaza College. All prospective students are required, as part of the admissions test, to complete an essay. The essay places the student in the appropriate level of English. Students who are enrolled in certificate and degree-granting programs will be required to complete the necessary Composition, Research of Literacy course that is part of their program.

Depending on their performance, students may be advised to take additional courses to strengthen those skills.

Critical Competency Skills

Plaza College integrates the development of eight critical competencies throughout its degree programs by requiring students complete specially designed portfolio assignments and capstone courses. The eight critical competencies are written communication, oral communication, critical thinking, information literacy, quantitative reasoning, technical expertise, positive work ethic, and specialized knowledge appropriate to the field of study.

Portfolio Skills

Certain core courses require students to complete portfolios as part of their coursework. The portfolio system at Plaza teaches students the importance of completing their best work, and that is work produced over a period of time through a process of drafting, revising, and editing. By completing portfolios, students apply their subject-area knowledge and technical skills while developing their written and oral communication, critical thinking, research, and quantitative reasoning skills.

Satisfactory Academic Progress

Plaza considers that a student is making satisfactory progress if the student remains in "good standing" as described in the Catalog. The responsibility to remain in "good standing" is first and foremost the students.

Defining and monitoring standards of progress is the faculty's responsibility. The faculty of the College requires that students comply with all instructional requests for completion of assignments and participate in ongoing classroom activities. Officially, a student remains in "good standing" if the following occur:

- Students permitted to remain in matriculated status with continued study toward a degree or certificate, even while assigned to waiver status, are considered to be in good academic standing. The academic standing of matriculated students is determined by the relationship between the total credits attempted and the total number of grade points as prescribed in the Academic Standing Table in the Catalog. The status described will be assigned to the student's transcript and the information regarding this status will be transmitted to the student. Students who lose matriculated status through dismissal or withdrawal are considered not to be in good standing and to be making less than satisfactory academic progress.
- Each semester, full-time students must demonstrate their commitment to complete their course of study by earning passing or failing grades in degree-applicable courses.

Study Strategies

Student preparedness for lectures, exams, and assignments requires more than just attending classes. Academic success also requires that students spend at least two to three additional hours for each subject outside of class engaged in study activities.

Add/Drop Period

Students who wish to make changes to their semester schedules may do so during the designated add/exchange period (The 1st week of the semester). A change of program fee will be charged. See schedule of fees in the Financial Services Department.

Withdrawal from a Class

A student who has attended a class after the add/drop period, but then decides to withdraw from the course must complete a withdrawal form and send it to the Academic Dean. All withdrawals must be submitted on or before week 10 of the semester.

Withdrawal from the College

A student requesting to withdraw from the college must meet, in person, with the appropriate official from Student Services, Financial Services, and the Loan Department to complete a Change of Status Form.

Section V - Plaza College Policies & Procedures

Statement of Non-Discrimination and Accommodation

Plaza College (“the College”) does not discriminate on the basis of disability. Individuals with disabilities (including pregnant students as applicable) are entitled to a reasonable accommodation to ensure that they have full and equal access to the College’s educational resources, consistent with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794) (“Section 504”) and the Americans with Disabilities Act (42 U.S.C. § 12182) (“ADA”), their related statutes and regulations, and corresponding state and local laws.

Section 504 prohibits discrimination on the basis of disability in any program or activity receiving federal financial assistance. The ADA prohibits a place of public accommodation from discriminating on the basis of disability. The applicable law and regulations may be examined in the office of the ADA/Section 504 Compliance Coordinator, or his/her trained designee who has been designated to coordinate the efforts of the College to comply with Section 504 and ADA.

ADA/Section 504 Compliance Coordinator:

Kalli Koutsoutis

118-33 Queens Blvd

Forest Hills, NY 11375

718 779 1430

kkoutsoutis@plazacollege.edu

Requests for Accommodation

Individuals with disabilities wishing to request an accommodation must contact the ADA/Section 504 Compliance Coordinator. A disclosure of a disability or a request for accommodation made to any staff, faculty, or personnel other than the ADA/Section 504 Compliance Coordinator will not be treated as a request for an accommodation. However, if a student discloses a disability to such an individual, the individual is required to direct the student to the ADA/Section 504 Compliance Coordinator. Upon request, the ADA/Section 504 Compliance Coordinator (or his/her trained designee) will provide a student or applicant with a Request for Accommodations form, which is also available on the College's website under the About Us, Consumer Information tab. To help ensure timely consideration and implementation, individuals making a request for an accommodation are asked to contact the ADA/Section 504 Compliance Coordinator and/or submit a Request for Accommodations form at least two weeks prior to when the accommodation is needed.

Individuals requesting reasonable accommodation may be asked to provide medical documentation substantiating their physical and/or mental impairment(s) and/or the need for the requested accommodation(s), including but not limited to when the limitation or impairment is not readily apparent and/or a requested accommodation does not clearly relate to the impairment(s). Such documentation should specify that a student has a physical or mental impairment and how that impairment substantially limits one or more major life activities. In general, the supporting documentation must be dated less than three years from the date a student requests a reasonable accommodation, and must be completed by a qualified professional in the area of the student's disability, as enumerated below:

Disability	Qualified Professional
Physical disability	MD, DO, Nurse Practitioner
Visual impairment	MD, ophthalmologist, optometrist
Mobility, orthopedic impairment	MD, DO, Nurse Practitioner
Hearing impairment	MD, DO, Audiologist (Au.D) *audiology exam should not be more than a year old
Speech and language impairment	Licensed speech professional
Learning disability	MD, DO, Nurse Practitioner, PhD Psychologist, college learning disability specialist, other appropriate professional
Acquired brain impairment	MD/DO neurologist, neuropsychologist

Psychological disability	Psychiatrist, PhD Psychologist, LMFT or LCSW
ADD/ADHD	Psychiatrist; PhD Psychologist, LMFT or LCSW
Other disabilities	MD/DO, Nurse Practitioner who practices or specializes within the field of the disability.

Documentation used to evaluate the need and reasonableness of potential accommodations may include a licensed professional's current medical diagnosis and date of diagnosis, evaluation of how the student's disability affects one or more of the major life activities and recommendations, psychological and/or emotion diagnostic tests, functional effects or limitations of the disability, and/or medications and recommendations to ameliorate the effects or limitations. The College may request additional documentation or testing as needed.

After the ADA/Section 504 Compliance Coordinator receives the Request Form and the required documentation, the ADA/Section 504 Compliance Coordinator (or trained designee) will engage the student or applicant in an interactive process to determine what accommodations may be appropriate.

The process the College uses to determine when a requested accommodation constitutes a fundamental alteration of a program or activity is conducted on a case-by-case basis. Generally, if an accommodation reduces the academic standards of the College the College will deny the accommodation and deem it unreasonable. Students/applicants are provided reasoning for denial of a requested accommodation in writing.

If the student or applicant is denied any requested accommodation, the student may file a grievance using the Grievance Process below or the student may file a complaint with the U.S. Department of Education's Office for Civil Rights or a similar state entity. The College will make appropriate arrangements to ensure that a person with a disability is provided other accommodations, if needed, to participate in this grievance process. The ADA/Section 504 Compliance Coordinator will be responsible for such arrangements.

Grievance Policy Relating to Complaints of Disability Discrimination

The College has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by Section 504 and/or the ADA. Any person who believes they have been subjected to discrimination on the basis of disability (including pregnancy as applicable) and/or disagreements regarding requested accommodations, may file a grievance with:

Dr. Laura March
 Dean of Academics
 118-33 Queens Blvd
 Forest Hills, NY 11375
 718 779 1430
 lmarch@plazacollege.edu

Grievances must be in writing, contain the name and address of the person filing it, state the problem or action alleged to be discriminatory, and the remedy or relief sought.

The College will investigate each complaint filed, and will not retaliate against anyone who files a grievance or cooperates in the investigation of a grievance. All reasonable efforts will be made to provide a written determination to the student or applicant within 30 days after its filing. If a written determination cannot be made within 30 days of the complaint's filing, the student will be advised and provided an update as to the status of the investigation. The student may also inquire as to the status of the investigation at reasonable intervals. Based on the results of the investigation, the College will take all appropriate actions to prevent any recurrence of discrimination and/or to correct any discriminatory effects.

The availability and use of this grievance procedure does not prevent a person from filing a complaint of discrimination on the basis of disability with the U. S. Department of Education's Office for Civil Rights and/or a similar state agency.

An important aspect of the Plaza College mission is to instruct students in the social, ethical, and cultural values necessary to become respected members of the community. In support of these goals, the College enforces standards of student conduct to protect the rights, health, and safety of the Plaza College community so that all individuals may have the freedom to pursue their educational goals without interference.

As members of the Plaza community, all students are expected to refrain from behaviors that are disruptive to the teaching or learning of others. All students are expected to be informed of the College's expectations of students under the Code of Conduct.

Reporting Violations of Code of Conduct

Faculty, staff, or students may refer to an instance of a student allegedly violating the Student Code of Conduct. The referral should be submitted in writing, signed by the referring party, and given to the Academic Standards Committee Dean as soon as possible and no later than ten (10) school days after the alleged violation. Names, dates, locations, and descriptions of alleged acts of misconduct should be included in the referral. These referral forms, or incident reports, can be acquired in Student Services.

Students reporting instances of sexual misconduct – whether they are a victim, a friend, or a witness/bystander can make confidential or anonymous reports. Students also have the right to report to Campus Security, local law enforcement, the State Police, or any combination. Please see the Plaza College Policy on Sex/Gender Harassment, Discrimination and Misconduct for further information on making reports that involve sexual misconduct.

Procedures for Violations of Code of Conduct

Reports of potential or actual violations of the Code of Conduct, as listed and described above will be processed as follows.

All accused students are entitled to a presumption of “not responsible”, and all processes will be conducted in a fair, impartial and timely manner. The standard of evidence to be used is a preponderance of evidence.

“Preponderance of evidence” is sometimes described as “more likely than not” or 51% probability which is a lesser standard often used in civil court proceedings.

All submitted reports will be reviewed by the Academic Standards Committee.

If appropriate, the Academic Standards Committee (or a member of the Title IX team, if applicable) will conduct an investigation into the report which can involve interviews with the referring individual or witnesses.

The Academic Standards Committee will determine whether there is a sufficient basis to believe that a violation has occurred and the Academic Standards Committee will file a formal violation of the Student Code of Conduct.

At the disciplinary meeting with the Academic Standards Committee will provide the student with the facts the Student Code of Conduct violation is based, possible sanctions, and the right to appeal which includes the appeal procedures.

The student will have the opportunity to provide an explanation, ask questions, and/or provide evidence.

Upon the conclusion of the disciplinary meeting, the Academic Standards Committee will make a determination whether there has been a violation of the Student Code of Conduct. The student will be notified in writing of the rationale and sanctions, if applicable. The student will be required to acknowledge and agree to the findings and sanctions, if applicable, in writing. Failure to do so will result in a violation of non-compliance, which may result in immediate suspension or dismissal.

Appeal Procedures

If the student desires to appeal the determination of a violation of the Code of Conduct and sanctions, if applicable, a written appeal must be sent via email to Dean Koutsoutis at kkoutsoutis@plazacollege.edu within five (5) school days of the date of the Statement of Sanctions.

The Academic Dean will review the appeal and make a determination whether grounds for an appeal, outlined below, have been satisfied. If grounds have been satisfied, the Academic Dean will schedule a hearing before the Judicial Board appointed by the Provost within ten (10) school days of the date of the appeal being received. If grounds for an appeal have not been satisfied, the Academic Dean will notify the student and the rationale for denying an appeal. It will be understood by all parties concerned that when a student begins the appeals process, any action based on the original sanction will be suspended until the appeals process is completed or the Academic Dean has determined grounds for an appeal have not been met.

Written petitions of appeals must be based on the circumstances described below. The Judicial Board will hear the appeal and render written decisions that are final and binding on all parties. Except for appeals that show a need to consider new evidence, an appeal will be limited to a review of the record of the case and supporting documents for one or more of the following purposes:

- Incorrect conclusion as to the degree or extent of wrongdoing.
- Failure of the appropriate College administrator to follow College procedural policy.
- Unfair punitive disciplinary action

The appeals hearing will be conducted in a fair and impartial manner. The hearing will be presided over by the individuals selected by the Provost to sit on the Judicial Board. The panel will hear all arguments presented into whether the original Student Code of Conduct determination and sanctions, if applicable, were appropriate. After all arguments have been presented, the Judicial Board will issue a decision. Within five (5) days of the hearing, a written decision will be provided to the student. The Judicial Board's determination is final and not subject to further appeal.

Possible Sanctions

Students who exhibit behavior that violates the College's Code of Conduct may be subject to any one or all of the following sanctions. The following outcomes may be considered, along with other options not listed. In addition, at any point a student's presence on campus creates a threat to the health, safety, or well-being of other students of the College community, the College reserves the right to immediately suspend the student from campus until the Code of Conduct meeting occurs and a decision is rendered.

- No Sanctions: Where the Academic Dean determines a student is not responsible that student conduct charges are dismissed.
- Verbal Warning: A discussion with the student about the incident, with no written notification issued.
- Written Warning: Written notice to a student that he or she has violated the College's Code of Conduct. The student is given three days to respond. The student will receive only one warning. A second warning may lead to probation or dismissal based upon the seriousness of the infraction.
- Disciplinary Probation: Probation is a status that a student holds in which he or she is permitted to attend classes under specified conditions. Further infractions while under probation may lead to suspension and dismissal.
- Restitution: Financial reimbursement for damages to property.

Serious Violations, Repeated Violations or Non-Compliance

- Statement of Sanctions: A written reprimand that states the specific policy the student has violated. A student is asked to sign a Statement of Sanctions, which indicates that a subsequent offense may lead to dismissal. Terms of probation are at the discretion of the Academic Dean.
- Suspension: Separation from the College for a definite amount of time, after which the student may be permitted to return under specified conditions based on findings in the case.

- Disciplinary Dismissal (Expulsion): Permanent termination of the status as a student of the College. A student will be asked to sign and acknowledge.

During warning, probation, or suspension, any of the following penalties may be applied for the policy violated and more severe sanctions may be carried forward if the student repeats the offense or violates another policy.

Academic Honesty Policy

Academic integrity is at the heart of any academic endeavor and is an essential part of the learning process. At Plaza College, students are expected to uphold academic honesty. Students are expected to work individually on assignments; completed work should be the result of the student's own effort. Students should not receive any assistance or communicate in any way with another student while taking an exam. Students are not permitted to submit the same work for more than one course. Students are not allowed to get any assistance from the unauthorized use of smart, internet, or AI based technologies to complete assignments or exams. Any use of generative AI tools must be in line with the College's AI policy and course syllabus. It is a commitment by all members of the College community not to engage in acts of falsification, misrepresentation, plagiarism (intentional or unintentional), or deception.

An infraction of academic honesty is not ethical and is a serious infraction against the College Code of Conduct. It is the responsibility of students to refrain from any conduct that may lead to any suspicion of infractions, or aiding others in infractions, of academic honesty.

Infractions of Academic Integrity are as follows:

Cheating

- Giving or receiving unauthorized assistance before, during, or after an academic exercise, assignment or examination (includes but not limited to: unauthorized use of notes, books, electronic devices such as phones, wearable devices such as smart watches, meta glasses or other aides).
- Unauthorized collaboration on assignments or examinations.
- Arranging for an examination to be taken by someone other than the intended student.
- Allowing someone else to view one's own exam responses.

Disruptive Campus Behavior

- Failure to comply with instructions or directives given by a professor or College official.
- Interfering with lectures or other academic exercises to the detriment of other students.
- Disruptive behavior for the purpose of protecting or stifling another person's free speech or the free exercise of ideas.

Misrepresentation

- Misrepresenting or falsifying information, data, citations, sources, or other information that is part of an assignment, presentation, or academic exercise.

Theft, damage, or misuse of library resources and/or technology resources

- Taking materials from the library that have not been properly checked out.
- Defacing or damaging library materials.
- Abuse of privileges for using library materials on reserve.
- Displacing or hoarding library materials within the library.
- Unauthorized use of another person's computer, email account or technology privilege.
- Damaging computer equipment.
- Interfering with the College computer network.

AI Syllabus Statement

Plaza College acknowledges the growing presence of Artificial Intelligence (AI) tools in academic and professional settings. The college allows for the following uses of Generative AI tools:

- Brainstorming
- Checking grammar/spelling
- Generating research ideas
- Checking final assignment formatting

Please note: AI should not be used to complete all or part of any assignments or produce all or part of any initial or final drafts. When using AI for research, your professor may require you to cite.

Your instructor has the final say on whether AI use is permitted in class. Please consult with them on their policies.

If you are suspected of using an AI tool to complete all or part of any assignment, you may be referred to Academic Standards and subject to Academic Sanctions. Please see the Student Handbook for more information on Academic Policy violations.

Please note: The college uses a web-based writing assessment toolkit for managing writing assignments. This tool upholds academic integrity to ensure original work from students. Students should upload their documents to obtain feedback from the evaluation tools and make the necessary corrections before submitting the assignment to the instructor.

Students should allow sufficient time to accomplish the revision process, and it is their responsibility to meet assignment deadlines.

At the discretion of the professor, assignments will be submitted to this tool. The score should generally not exceed 25-30%. Situations where scores exceed 30% will be reviewed by the instructor to determine if there is a lack of originality in the work submitted. If such work is deemed as plagiarism, it will be subject to actions outlined in the Student Code of Conduct which can be found in your Student Handbook on the

College's website.

Please note that infractions of academic honesty are cumulative during a student's stay at Plaza College.

Cell Phone Policy

Plaza College realizes and recognizes the need for students to carry cell phones to class and on College premises in order to be accessible for emergency situations. However, to ensure the peace, civility, and privacy of all college constituents, the Committee on Academic Standards has established the following policy guidelines to ensure consistent and fair treatment of all concerned:

- Students should turn cell phones to silent mode while on campus.
- If a phone does vibrate in class, students may be permitted to look at their phones, but are not permitted to carry on conversations or utilize text messaging within the class. Students must leave the room to respond to any emergency message. Abuse of this privilege may be considered a violation of the Student Code of Conduct since constant movement by individuals disrupts the educational experience of others.
- Cell phones may not be accessed during testing situations. This stipulation exists in order to support Plaza's Student Code of Conduct and to ensure ethical testing practices.
- If a cell phone call is necessary, individuals should not congregate in areas where their presence may block the flow of traffic moving from one class to another, but should seek a quiet area where they will not disrupt others who are working or studying. Further, students should keep their voice levels low while talking on their phones.
- If a student is frequently cited for a pattern of disruptive behavior involving cell phone usage, it is considered a violation of the Student Code of Conduct and a report may be filed by any Plaza faculty or staff member.
- Students should be aware that they should always designate an emergency contact or contacts when they are away from their families to handle situations in the event that the student cannot be reached

Credit Card Marketing Policy

Plaza College prohibits the advertisement, marketing and merchandising of credit cards to students on its campus.

Dress Code Policy

When attending courses in the virtual campus online, students are encouraged to maintain a professional demeanor and wear clothing that are respectful of their faculty, as well as their classmates.

Nursing, Dental, Surgical Technology, and Medical Assisting Clinical students are required to follow all dress code standards outlined in the respective handbooks for their programs.

Considerable discretion is given to the College administration to maintain these standards. Obvious violations are subject to disciplinary action.

Drug and Alcohol Policy

In compliance with the Drug-Free Schools and Communities Act Amendments of 1989 (Public Law 101-226), and to ensure a drug-free campus, the administration establishes the following standards of conduct for students and employees:

- Students and employees are prohibited from the unlawful manufacture, distribution, possession, sale, or use of a controlled substance on campus.
- Students and employees are prohibited from activity during hours away from campus such that it impairs ability in the classroom or on the job, or affects the reputation or integrity of the College. Students or employees who violate any aspect of this policy are subject to disciplinary action, up to and including termination of enrollment or employment according to the College's existing grievance procedures.

Educational Records

Educational records are all files, records, or documents maintained by the College that contain information directly related to the student. Examples of educational records are the student file, placement file, and financial aid file.

Such records are maintained by and are in the custody of Student Services. The only persons allowed access to such records are those who have a legitimate administrative or educational interest.

Exemptions

The following items are exempt from the Act:

A. Parents' Confidential Statements, Financial Need Analysis Report, and the Pell Grant Student Aid Report

B. Confidential letter of recommendation received by the college prior to January 1, 1975. As to such letter received after 1974, the act permits a student to waive his right of access if the letters are related to admissions, employment, or honors

C. Records about students made by a teacher or administrator which are maintained by and accessible only to him or her

D. School security records

E. Employment records for school employees who are not also current students

F. Records compiled or maintained by a physician, psychiatrist, psychologist or other recognized professional or paraprofessional

Review of Records

It is the policy of the College to monitor educational records to ensure they do not contain information which is inaccurate, misleading, or otherwise inappropriate. The College may destroy records which are no longer useful or pertinent to the student's circumstance.
